## MR. THURSTON ENTERTAINED AT HILO.

Closing Exercises at the Hilo Union School—Opening of the New Foreign Church at Waima, Kauai, by the Reverend Mr. Boyer—Other News.

MAUI, July 21.—Kelikipi, a Wailuku native, has been in jail for a week and more, having made a confession concerning the burning of the Wailuku plantation office. His confession, corroborated in many respects by other testimony, implicates himself and a well-known foreign resident. The foreigner was arrested in Ulapalaka and brought before the Wailuku court this week, but the preliminary hearing was postponed until the 25th instant by request of his attorney, John Richardson, who was compelled to depart to Lahaina on business connected with the water case.

By-the-by, the Lahaina water case was decided by Commissioner Dickinson in favor of Mr. Horner, Lahaina plantation, and against the native complainants. Kelikipi remains in jail but the white man was released on \$1000 bail, furnished by W. H. Cornwell. Marshal Hitchcock, who has been busy with the incendiary case for several days, departs for Honolulu today per Claudine.

## STRAY SCRIBBLINGS.

Halekaha ranch has been having a great cattle drive during the early part of the week.

Invitations have been issued announcing the marriage of Miss C. F. Gregory and Mr. D. C. Lindsay, to take place at the Paia foreign church during the evening of the 25th instant. Dr. Beckwith will officiate and a reception will be held on the same evening from 8 to 10 o'clock, at the residence of J. W. Colville.

Mr. and Mrs. G. E. Simpson of Paia are spending a fortnight at Olinah house.

The telephone lines hummed with electrical joy at the return of Superintendent E. B. Carley last Wednesday.

Deputy-Sheriff Scott, of Wailuku, and Judge Copp, of Makawao, visited the extinct crater during the early days of the present week.

Miss Cunningham of Wailuku is spending her vacation days in beautiful Hilo.

The summer visitors: Miss Mary E. Green of Honolulu is the guest of her sister at Makawao; Miss L. Nickelsen of Kauai is visiting Miss May Baldwin at Haiku; the Misses Snow of Honolulu are staying with Mrs. H. B. Bailey; Miss Crozier of Honolulu is being entertained by Mr. and Mrs. Thos. Campbell of Paia.

There was no incendiarism in the burning of the Wainee, (Lahaina), church. Rumors to that effect are stated to be utterly false. A pile of burning rubbish kindled an algaroba tree and the flames leaped from its topmost branches into the adjacent belfry of the old and much loved edifice, hence the catastrophe.

Messrs. Arthur and Frank Baldwin of Haiku are probably members of that party of college boys tied up in Ogden, Utah, through the great railroad strike.

Dr. Hutchinson of Honolulu has been doing dental work at Hamakua-poko recently.

It is reported that C. H. Dickey, assisted by his son, has recently cleared up the Koolau trail into the crater. They made their exit from the great pit in three-quarters of an hour, infinitely shorter time than up the weary sand-hill of the customary entrance.

Architect C. William Dickey has planned a "Crater House" to be built of stone, and is said to solicit help of interested persons.

During Friday, the 20th, a grand picnic, planned to take place near Halehaku Gulch, was spoiled by a heavy rainfall. A contingent of the party enjoyed a merry day indoors at the residence of Mr. Dickey.

It is reported that Miss Malone of Honolulu is to come to the Wailuku School.

The Boards of Registration and Examiners will begin work at Hamakua-poko on the 26th inst.

Shipping news is simply this—no foreign vessels expected for some time—is nothing more.

Weather: Hot trade winds are blowing continually.

HILO, (Hawaii), July 19.—Hon. Lorrin A. Thurston, who, with Mrs. Thurston, has been visiting his "warm" friend Madame Pele for the past ten days, came down to Oiaa on Monday, and spent two days looking over the coffee plantations. Mr. Thurston is much pleased with the progress being made there. All the lots on both sides of the road, as far as the twenty-third mile have been taken up by bonafide settlers, who are living on the places and rapidly clearing and planting the land with coffee, cocoa and fruit trees. Little progress has been made in clearing the back lots, though a good many have been taken up, owing to the difficulties in getting supplies, there being no roads. Mr. Thurston says it is very necessary for the development of Oiaa that there should be side roads built; Hiloites agree with him, but first of all give us the main road around the island; then take up the branches.

Rev. Mr. Hill preached Sunday morning, the 15th inst., from the pulpit of the First Foreign Church before a large congregation. In the afternoon he took Mr. Callender's place at Pepeekeo and preached to an audience of twenty-three, an unusually large number at that place. Mr. Hill hopes to be able to preach at Pepeekeo once a month; the other Sunday afternoons at Papaikou.

Mr. Hill has not formally accepted he call extended to him by the First Foreign Church, but it is understood that he intends to do so. He expects Mrs. Hill from California soon.

A very pleasant picnic was given to Mr. and Mrs. Thurston on Wednesday the 18th inst., at Cocoanut Island, by Mrs. Luther Severance, assisted by the Hilo ladies. Mrs. W. H. Shipman prepared a luau which was thoroughly enjoyed by everyone. The country and city people were all there, with a number of tourists. All were loud in their praises of Hilo's favorite picnic grounds. The day was a trifle warm, but that only increased the pleasure of bathing.

On the evening of the 13th, a dancing party was given at the home of James Gibb at Wainaku by Mr. Hutcheon to the members of the Hilo Literary and Social Club and their friends. The night was a perfect one, enticing out many of our "stay at homes." They, with the rest, were well rewarded by a very sociable and enjoyable evening.

## HERE AND THERE.

The Union School building is receiving a coat of paint.

The Nakatskassa bankrupt stock was sold at auction Saturday, fair prices ruling.

An acre of land at Papaikou was also sold the same day for \$117.

Several slight shocks of earthquake have been felt during the past week. Halemaumau has dropped down a distance of about 300 feet.

The much talked about traction engine from Kohala for Mr. J. R. Wilson, to be used for road-building, hauling freight, etc., arrived this morning per steamer Hawaii and is being landed at Waiakae.

Seventy-six cabin passengers came to Hilo per steamer Kinau on the 15th inst., and over forty are booked to return on her today.

Assessor H. C. Austin started on his trip around the island on the 17th inst. on business connected with his office.

Dr. Williams has been busy during the past week examining the health of all the school children, and searching for marks of successful vaccination, as none without these will be admitted to the schools at the beginning of the new term.

The barkentine Annie Johnson was to leave San Francisco on the 11th instant; any time after the 20th, she may be expected at Hilo.

The Pepeekeo Sugar Company's mill broke down this morning. It is very unfortunate, as they hoped to finish taking off the crop tomorrow, the 20th instant.

Judge and Mrs. S. L. Austin returned from Hamakua this afternoon.

The closing exercises of the Hilo Union School took place Friday, July 13th, at 10 A. M. The rooms were prettily decorated with flowers, ferns, and bright pictures. Everything passed off pleasantly; the children striving to do their best to please the large number of friends present. The following was the order of exercises:

Song—"In our Work."  
Prayer.  
Song—"The Rain."  
Recitation—Sarah Canario.  
Song—"The Buttercup Meadow."  
History Recitation.

Recitation—Slate and Pencil Story.

Dialogue—"The Stolen Bird's nest."  
Song—"Sister Ruth."

Song—"Wake up Little Daisy."  
Hawaiian Geography.  
Song—"Forget Me Not."

Dialogue—"The Magic Bottle."  
Song—"The Queen of Night."

WAIMEA, (Kauai), July 21.—The first service under the auspices of the Waimea Foreign Church Society was held on Tuesday the 15th instant.

For some years there has been no foreign church in this district, and a short time ago a few of the ladies undertook to establish one. They obtained permission from the Hawaiian Board of Missions to occupy the large stone church at Waimea, and have raised by subscription, a sufficient amount to put the building in good order, purchase an organ and hymn books and pay the salary of a clergyman and the rent of a parsonage for one year.

The Rev. Mr. Boyer of Oberlin, Ohio, who was called to take the charge, arrived last week.

The ladies who have headed this movement are deserving of great credit, and had the satisfaction of seeing a congregation of over 150 persons at the inaugural service. Mr. Boyer impressed his hearers most favorably. He is a young man of apparent zeal and will doubtless prove to be the right man for this parish.

On Friday evening last Mr. and Mrs. Morrison gave a reception to Mr. Boyer at their residence, Belle View. A programme was presented, consisting of music, reading, recitations, etc., concluding with a very interesting description of a trip to Florida and Cuba by Mr. H. P. Baldwin of Haiku, Maui, after which, refreshments were served and "good nights" exchanged.
